Dear Catherine + Peter,

We feel very privileged to be staying here this past week.

Your new home is just gorgeous... and we are sure it

will prove a wonderful 'Boch' for all those lucky people

who will spend time here with you both.

You have given us this opportunity at a time in

our lives when although we hadn't realized it we

were in great need of some R + R. It has done the trick.

Thankyou for choosing us. Much love from Gay + Grant

Dear Peter, well, where do I even begin? Firstly thank you so much for allowing us to have our wedding here, it will be forever in our memories of our special day 'ü' The lodge comfortably entertained our 40 guests on Friday and let me tell you, everybody was breath taken with this place! We set up lanterns in the back garden for the bride (myself) to walk down the isle so during the ceremony our guests watched while looking at the beautiful sea views behind us. We were told it was absolutely gorgeous! As the weather was

a bit hazy that day, we decided to set up the reception inside in the foyer area. With the help of McEntee hire, the whole place looked fantastic! Our guests made good use of the facilities - played pool upstairs, watched movies on your awesome TV, had photos in the wine cellar, staircase, backyard & balcony, our wedding music played right throughout the house & in the evening we watched the sunset on the back deck. And my new husband & I opened the curtains from our upstairs room this morning... wow! What a view! I just can't thank you enough for all your help & kindness in letting us make our

7 March - 9 March 2008	The Ducks, Sharlette & Banducci's	- London, Auckland and Sydney	- Thank you so much for sharing your beautiful holiday home with us. It was the perfect place for our three families to stay while in the area for our niece's wedding - great entertainment areas, but also enough room for everyone to have their own space. We will remember our weekend away for a long time to come - especially the beautiful views and the sense of relaxation that comes from being within steps of the rolling surf. Thanks again.

"I have found you all the things I have for and I will most definitely recommend 'The Dunes'"

27-31 March '08,	Jessie, John & Jade Butler,	Los Angeles & Auckland	<p>Dearest McPhail Family &amp; Support Team, Thank You all for your joy filled vision, trust and openness. Hats off to all that put this home together in a perfect location. We celebrated our Daughter's 4th Birthday with her friends and the design worked brilliantly for everyone and every age. Together we couldn't help but produce terrific meals <sup>&amp; memories</sup> in the "great" kitchen. During our 1st sunset at the Dunes, Jade in our arms said... "This home is so beautiful and the land, we should buy it and take it all back with us". We hope we can stay again. Many Many Thanks</p> <p>Love John ~ Jade</p>

to have found you all the things I have for and I will most definitely recommend 'The Dunes' B: We've been searching for 10 years in NZ for something like this.
